Porto Charities Special Education Scholarship Program

Overview: The Porto Charities Scholarship Program provides financial support for teachers employed by the Diocese of Arlington (DOA) who take courses to prepare them to instruct students with intellectual or developmental disabilities. Teachers may obtain a Special Education Certificate or a master's degree in special education to participate in the program.

Eligibility Criteria: Applicants must be employed by and in good standing with an accredited Catholic elementary or high school recognized by the Diocese of Arlington.

Methodology: Teachers who wish to participate in the scholarship program must submit a completed application to Porto Charities and be approved for the program before they start their course work. Teachers who enroll in a certificate program must complete their course work within 18 months. Teachers who enroll in a master's program must complete their course work within 36 months. There are several universities in the metro area that offer graduate programs in special education.

Tuition Reimbursement: Scholarships will be awarded to teachers after they provide confirmation (proof of payment and a copy of the official transcript) to Porto Charities that they have satisfactorily completed all their course work.

Award Information: Subject to available funding, tuition reimbursement for the Special Education Certificate Program will be a maximum of 50% of tuition paid by the participant not to exceed \$ 5,000. Subject to available funding, tuition reimbursement for a master's program in special education will be a maximum of 50% of the tuition paid by the participant not to exceed \$ 10,000.

Scholarship Agreement: While participation in this program does not guarantee a job/teaching position, awardees who accept scholarship funds to complete a certification program must agree to continue to work for the Diocese of Arlington for a minimum of twelve months after they have completed their course work. Awardees who accept scholarship funds to obtain a master's degree in special education must agree to continue to work for the Diocese of Arlington for a minimum of twenty-four months after they graduate. Teachers who do not honor this agreement agree to promptly reimburse Porto Charities for funds they received.

Signature: _____ Date: _____

By signing this application, I attest that I have read and understand the Porto Charities Special Education Scholarship Program requirements. I further agree to abide by all the conditions of the program as outlined above.

Please return the completed application on or before the last day of the enrolment period to
